Teaching and Learning

Our History curriculum has been designed to cover all of the skills, knowledge and understanding as set out in the National Curriculum. The National Curriculum states that ‘a high-quality history education will help pupils gain a coherent knowledge and understanding of Britain’s past and that of the wider world. It should inspire pupils’ curiosity to know more about the past.’

We ensure that the curriculum is planned in a sequential and meaningful way; it builds on prior skills and knowledge. We ensure that we give our students appropriate and ambitious curriculum opportunities.

The History curriculum intends to prepare each student for their next phase of education whilst at the same time giving all students a broad and balanced view of the History of Britain and other societies developing their chronological skills. In this, students will develop a well-rounded knowledge of the past and its events. We aim to develop children’s historical enquiry skills by encouraging them to be curious about the past, ask questions, suggest explanations based on sources of evidence and make meaningful connections between the past and the present.

Number Day 2023

Diary date ... Friday 3rd February

On Friday 3rd February, we will be celebrating NSPCC Number Day with a TT Rockstars and Numbots theme. We will be asking KS2 children to dress up as rockstars, and our KS1 children to dress up as their favourite Numbots. EYFS are asked to dress in a Number theme.

Google has many examples and inspiration for how you might want to dress up, if you're struggling for ideas!

We will be asking for a small donation on this day, with the money being donated to NSPCC.

Reminder - Children can bring water bottles into school to keep themselves hydrated throughout the day. Please do not send in any energy drinks as these are unsuitable. Thank you for your cooperation with this.

Year 6 are off on their residential visit to Crosby Hall Educational Trust next week.

Time to get packing for an action packed few days.

We look forward to seeing what they get up to on twitter @PinehurstP.
