Teaching and  Learning

British Values are very important to us here at Pinehurst. We are dedicated to promoting them within our school community in order to establish a strong sense of social and moral responsibility.

We see British Values as underpinning what it is to be a citizen in a modern and diverse Britain. They allow us to create environments free from discrimination, intolerance and hate. They help us to challenge prejudice and stereotyping, whilst strengthening relationships within the community.

As well as actively promoting these values to our pupils, we also work hard to embed them into our work across all curriculum areas. This ensures our pupils understand the importance of respect, so they can leave us fully prepared to live and work in modern Britain as responsible citizens.

British Values are defined as the following:

Democracy - A culture built upon freedom and equality, where everyone is aware of their rights and responsibilities.

The rule of law - The need for rules to make a happy, safe and secure environment to live and work.

Individual liberty - Protection of your rights and the rights of others around you.

Mutual respect & tolerance of different faiths and beliefs - Understanding that we all don't share the same beliefs and values. Respecting those values, ideas and beliefs of others whilst not imposing our own onto them.

Diversity across the curriculum

We are incredibly lucky at Pinehurst as we are blessed with such a diverse community.

We ensure that we embrace this diversity to create a positive and inclusive learning environment.

The rich tapestry of our school enables us to share many different experiences and gain an understanding of others as well.

We aim to support each child within our school, developing a feeling of belonging.

We ensure that our curriculum celebrates this diversity so that the children gain an understanding of the world around them

Are you entitled?

If your circumstances have changed and you think you may now be entitled to Free School Meals please ensure that you apply to Liverpool City Council and inform school of the outcome of your application.

Being in school is important to your child's achievement, wellbeing, and wider development. Every moment in school counts, and days missed add up quickly. The higher a pupil's attendance, the more they are likely to learn, and achieve in the future. Please support us with our drive to improve pupil attendance. Remember each child's attendance target is 97%. If you wish to discuss your child's current attendance please contact Mrs McCabe Hunt to arrange a convenient time to speak with the Attendance Team in School.
