Learning to Read with Read Write Inc

Read Write Inc. is a government backed phonics scheme designed by Ruth Miskin, which through systematic teaching and consistent routines, enables children to achieve high levels of reading success. At Pinehurst Primary School we believe that reading is the key to all learning and we are fully committed to making sure that every child is a reader by the end of KS1.

Next week...

World Book Day is fast approaching. This year we would like to do something different. Inspired by the Little People Big Dreams series, we would like the children to dress as an inspirational person. This will form part of Aspirations Week planned for later in the year. This is a fun week, where our children could explore their aspirations and dreams, it was also an important week to promote the idea of having a good career.
