# THE PINEHURST PRESS

Experience ~ Excel ~ Enjoy

A weekly newsletter to share the news of Pinehurst Primary School

## Teaching and Learning

Our Eco Warriors have been hard at work this year. They have participated in two litter picks around the outside of the school as well as several inside the school yard. They have been able to encourage their classmates in joining them during play time to do litter picks around yard.

Our school was able to have a visitor from the Recycling Centre to hold an assembly explaining the importance of recycling and we were able to hold a contest to raise funds for the garden. We were able to raise £53, plus was rewarded another £25 for completing the four task set out by the Recycling Centre.

The warriors have also had an amazing opportunity to visit our local Recycling Centre. It was an eye opening experience for them to see how important it is to recycle and making sure the recycling is going to the correct place. They were able to see first hand how the workers and machinery separated and sorted all the recycling into the right place to be reuse and stop the build up of waste around Liverpool.

As Spring is approaching the Eco Warriors are starting work in our school garden. They will be getting the weeds pulled out and will be planting many different vegetables and flowers. They are looking forward to watching our garden produce many different vegetables that in return will be used in our school lunches and also will be sold to continue to support the garden and eco supplies.
