

THE PINEHURST PRESS

Experience ~ Excel ~ Enjoy

A weekly newsletter to share the news of Pinehurst Primary School

Teaching and Learning

At Pinehurst Primary School we strive to offer a varied and ambitious curriculum for all of our pupils which is underpinned by our vision and ethos of 'Experience, Excel and Enjoy'.

- Experience-** We aim to provide all children at Pinehurst with a wide range of life experiences, encouraging curiosity and discovery each and every day.
- Excel-** We recognise the talents and unique characteristics of each child and strive for them to achieve their own personal best in all aspects of their lives.
- Enjoy-** We aim to foster a lifetime love of learning through delivering exciting lessons and activities, personalised to the children we teach.

The programme of study for each year group is carefully designed to ensure coverage of the national curriculum objectives and to help children progress in all subject areas. We aim to help your child become independent, responsible learners and citizens through regular teaching of a wide range of subjects including Art, Science, Mathematics, English, Geography, History, Music, Computing, Spanish, PE, Design Technology, Religious Education and PSHE.

To complement our curriculum offer we have developed a school enrichment calendar that details the events, awareness days, celebration days educational visits and visitors we will be partaking in this year. In addition to this the children will benefit from specialist support from food and nutrition teachers, the LFC foundation, a native Spanish language tutor, PE coaching and extra-curricular clubs from the Liverpool School Sports Partnership and a professional musician and teacher from Resonate Music Hub.

The children are enjoying collecting their Dojo points in school. Remember they are awarded for being:

Ready
Respectful
Safe

Dojos are given each morning for arriving in school on time ready for learning.

Monthly Cook-A-Long

Last year, we noticed just how many of you enjoyed cooking together over lockdown, and wanted to build on this, with some more opportunities for you to enjoy cooking together as a family.

With the support of Mrs Wright and 'Apple of My Eye' we launched our Easy Family Cooking Online course last term. The course was a real success, with weekly video demonstrations of how to make a simple, tasty, and nutritious savoury dish for all of the family.

We are now running monthly cookery sessions. The link for the course is posted on Class Dojo each month and you can choose to join in at home with your own ingredients or return the slip below to have your ingredients supplied by school.

We hope that lots of you will choose to join in and develop some new skills and enjoy the opportunity to cook together as a family.

This month it is Lentil Cottage Pie... If you would like an ingredients pack on 29th September, please return the reply slip alongside by Tuesday 21st September. Thank you.

ATTENTION YEAR 6 PARENTS and CARERS

Secondary School Transfer for Year 7

Applications for Year 7 places for September 2022 are now open. Visit your Local Authority Admissions page for further information.

Deadline is 31st October 2021

Well done to all of our Celebration Certificate winners. Certificates are being presented in class and our weekly Friday assembly is being shared by video link. Each week our assembly is uploaded to our website for anyone isolating at home.

Next Friday (24th September) we will be supporting MacMillan's Biggest Coffee Morning. Children are asked to bring a monetary donation into school and in return they will enjoy some cakes in school during the day. Any monetary donation is greatly appreciated. Please do not send cakes in, thank you.

Reminder: No unnecessary items including large school bags in school at this time please.

I would like a Veggie Lentil Cottage Pie Ingredients pack for the September Cook-A-Long
