Remembrance Day

Remembrance Day is important because it honors the sacrifices made by members of the armed forces during times of war, particularly those who lost their lives in conflicts like the World Wars. It provides an opportunity for people to reflect on the cost of war and the importance of peace, freedom, and democracy. By remembering the bravery of those who served, we show gratitude for the rights and privileges we enjoy today. It also helps keep the memory of past conflicts alive, ensuring that future generations understand the lessons of history and work towards a peaceful future.

Remembrance Day marks the day World War One ended, at 11am on the 11th day of the 11th month, in 1918.

Remembrance Sunday is also marked each year, this falls on the second Sunday in November.

On Monday 11th November we will hold a 2 minute silence at 11.00am to show our respect.
