

THE PINEHURST PRESS

Experience ~ Excel ~ Enjoy

A weekly newsletter to share the news of Pinehurst Primary School

Welcome back to the new school year. Going back to school after a summer break can be a time of excitement, anxiety and even a bit of sadness. The new school year is full of many unknowns and that can feel a little scary at first. It has been fantastic to see the children return ready and raring to go. They have settled back into their classes well and have shown they have the resilience and determination to have a fantastic year. We can't wait to see them **Experience, Excel and Enjoy** with the right support and encouragement.

MEET THE TEACHER

Next week, on Wednesday 11th September we will be holding our annual 'Meet the Teacher' evening after school. This will be an opportunity for you to visit your child's new classroom and to meet their new class teacher. You can also collect information regarding days PE kits are required and homework etc. It will not be a 'timed' session, just come back into school as soon as you have collected your child. Do not worry if you are unable to attend; all of the information available at the session will be sent home with the children if you are not available on that afternoon.

Teaching and Learning

Each week our Newsletter will feature a Teaching and Learning section which will focus on a different aspect of the school curriculum.

Thank you to the children, families and staff for welcoming me to Pinehurst Primary School this week. I look forward to getting to know you all a little better over the coming weeks.

Miss Morris
