SMSC

SMSC stands for spiritual, moral, social and cultural development. All schools in England must show how well their pupils develop in SMSC. Pupils' spiritual, moral, social and cultural development ensures that they are prepared to be reflective about and responsible for their actions as good citizens.

Through ensuring pupils' SMSC development, we also demonstrate that we are actively promoting fundamental British values.

British values are:

- democracy
- the rule of law
- individual liberty
- mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

Anti- Bullying Week

Change Starts With Us

Small change. Big difference.

Whether it is verbal, physical, online or in-person, bullying has a significant impact on a child's life well in to adulthood. By making small, simple changes, we can break this cycle and create a safe environment for everyone. Because together, we can challenge bullying. Change starts with a conversation. It starts with checking in. It starts with work together.

Change starts here. Change starts now. Change starts with us.

We celebrated our differences on Tuesday by joining in with Odd Socks day 2019.
