PHYSICAL EDUCATION

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

Our PE curriculum, with support from the Liverpool Schools Sports Partnership, aims to ensure that all pupils:

- * develop competence to excel in a broad range of physical activities.
- * are physically active for sustained periods of time.
- * engage in competitive sports and activities.
- * lead healthy, active lives.

Don't forget your PE Kits

Family FUN & FITNESS Fun and Fitness Ideas to try at Home

Exercise is beneficial to children in many different ways, both mentally and physically. It strengthens the mind and body and provides children with more energy so they can actively participate in life.

Let us know any ideas you try on Twitter ...

Dance Party – Turn on the music and shake your groove.

Scavenger Hunt – Write up clues and hide them around your house or garden. Children can race to find each clue for a small prize at the end.

Bubble Wrap Attack – If you get bubble wrap in the mail, jump on it until it's all popped.

Clean-Up Race – Set a timer or put on a song and see who can tidy up the fastest.

Tickle Tag – Chase your children and when you catch them, it's tickle time.

Hallway Bowling – Fill up water bottles and use any ball you have. Hopscotch – Use chalk or tape to make a game on your floor or outside.

Bubble Bashing – Blow bubbles and let your child try to smash them.

Popcorn Pushups – Put a small bowl of popcorn on the floor. Lower yourself down and stick out your tongue to get a piece of popcorn with each thrust.
