# THE PINEHURST PRESS

Experience ~ Excel ~ Enjoy

A weekly newsletter to share the news of Pinehurst Primary School

Teaching and  Learning

## PE IN ACTION

At Pinehurst Primary School we encourage our pupils to be active citizens of the future. To do this we use a combination of Physical Education, School Sport and Physical Activity.

**Physical Education:** Physical education is the planned, progressive learning that takes place in school curriculum timetabled time and which is delivered to all pupils. This involves both 'learning to move' (i.e. becoming more physically competent) and 'moving to learn' (e.g. learning through movement, a range of skills and understandings beyond physical activity, such as co-operating with others). The context for the learning is physical activity, with children experiencing a broad range of activities, including sport and dance.

**School Sport:** School sport is the structured learning that takes place beyond the curriculum (i.e. in the extended curriculum) within school settings. Again, the context for the learning is physical activity. The 'school sport' programme has the potential to develop and broaden the foundation learning that takes place in physical education. It also forms a vital link with 'community sport and activity'.

**Physical Activity:** Physical activity is a broad term referring to all bodily movement that uses energy. It includes all forms of physical education, sports and dance activities. However, it is wider than this, as it also includes indoor and outdoor play, work-related activity, outdoor and adventurous activities, active travel (e.g. walking, cycling, rollerblading, scooting) and routine, habitual activities such as using the stairs, doing housework and gardening.

*quote of the week*

**"What we learn with pleasure we never forget."**

## A Recipe for Success in Year 6!

A handful of fantastic teachers,  
 Bucketsful of determination,  
 A scattering of mistakes,  
 An ounce of perseverance,  
 A hint of inspiration,  
 A sprinkle of imagination,  
 A roomful of hobbies,  
 Masses of learning,  
 Heaps of teamwork,  
 A shed load of happiness,  
 A spoonful of independence,  
 A splash of confidence,  
 Stacks of respect,  
 Oodles of fun,  
 A dusting of smiles,  
 A drop of passion,  
 A scoop of enthusiasm,  
 A mind full of creativity,  
 A pot of politeness,  
 A dash of motivation,  
 A pinch of nerves,  
 Mix in a lot of friendship and laughter,  
 And last but not least always be the best  
 version of you!

We would have ordinarily been saying 'Well done Year 6' at the end of SATS week but instead are ending another week of Home Learning. So let's take time to pause and reflect and remember Year 6 that you have been blessed with so many skills that SATS can't test. You have lived through a moment in History that in the future children will learn about in school.

## Plan for Phased Reopening

We will always ensure that the **safety and wellbeing** of our children and community are the **first consideration** in any arrangements made for a phased reopening.

Following advice from the LA we will reopen our site to **SOME** pupils on 1<sup>st</sup> June 2020. These are the **pupils of KEY WORKERS**. These are **ONLY** the pupils who are currently eligible for HUB PROVISION.

We are spending more time on our 'Reopening Risk Assessment' and plans.

There is a lot to think about and we need to see how society manages the changes that are being introduced for the next few weeks.

Please rest assured we have been thinking about what is best for our community and will share regular updates with you.

**Until then, stay safe and hope to see you soon.**

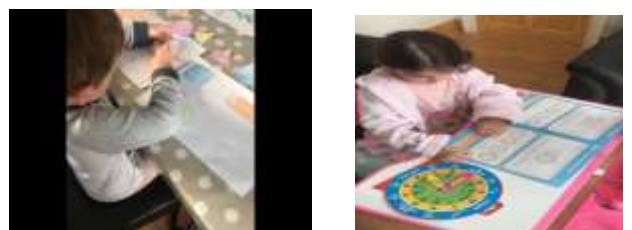

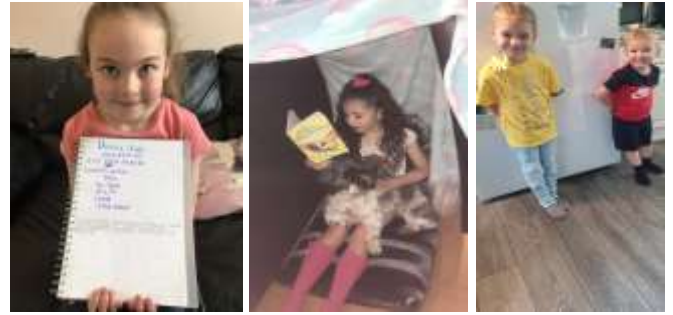

Please see letters from Miss Morris and Mr Reddy on our website home page

**A reminder of our 'Off Site' Emergency Contact  
 Number 07858 739336**

## Spotlight on Home Learning

Another very busy week ...

**WELL DONE EVERYONE!**

**Well Done Parents and Carers too!**
