

CREATE A MINIATURE GARDEN

THEME

Choose, dinosaurs, trolls, mythical creatures like unicorns, fairies, elves, pixies, monsters or just your secret garden for your garden we don't mind what the theme is so long as it's your idea...

IDEAS

Find a small-medium sized container, box, tray for the base of your design. Maybe draw it first so you have a bit of plan or idea or what your garden will look like. Look for resources in outside in the park, in your house and garden of what you already have, small toys and figures, leaves, twigs, flower petals, grass, foil, pebbles, lolly sticks etc etc Maybe a little bit of wood, or a tube you can make a house or structure with? We can't wait to see your gardens!!

SHARE IT!

Don't forget to share and tag us on twitter, email or instagram with your teachers and us @appleofmyeyeHQ We can see it and award you a certificate!
