

SATSUMA OCTOPUS

Have a go at making this satsuma octopus with your grown up at home... don't forget to tweet us @appleofmyeyepl

Ingredients

1 Satsuma – hold the satsuma with the navel star upwards poke your finger in the middle underside and gently peel off eight pieces of skin to form the tentacles if you only have six tear one in half to make two.

Use a black felt tip pen to draw a face on your octopus.
