Appendix Two : 30 hour funding for children who are 3 years old.

Eligibility:

- Either or both parents' income does not exceed 100k.
- The parent earns or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months. This equates to £115 a week (or c. £6,000 a year) for each parent over 25 years old or £111.20 a week (or c. £5,700 a year) for each parent between 21 and 24 years old.

- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
- If a non-EEA national, the parent must have recourse to public funds.

Reconfirmation of 30 hour eligibility codes

Every three months, parents are required to reconfirm that they remain eligible for 30 hours and Tax-Free Childcare. If a parent's details have not changed, they only need to tick a box in their childcare service account to confirm that their details remain the same. Parents should receive two reminders to reconfirm their eligibility (4 weeks and 2 weeks before their reconfirmation deadline).

If a parent misses the reconfirmation deadline, they will receive a message telling them that they are no longer eligible for 30 hours and Tax-Free Childcare. When a provider validates the parent's code it will show that they are in their grace period, which means that the child will be able to continue to access their 30 hours place until the end of the term. To take up a place in the following term, parents will need to ensure they reconfirm their eligibility.

Extended 15 Hours Eligibility – Grace Period

If parents do not reconfirm their eligibility - Wakefield Council will make Three Lane Ends Academy aware that your eligibility for the 15 hours extended free childcare is now within a grace period. This means that the Local Authority will only fund the additional 15 hours until the grace period ends.
