Experience ~ Excel ~ Enjoy

A weekly newsletter to share the news of Pinehurst Primary School

## Teaching and Learning

At the end of our first full week at school aBIG well done to everyone and thank you once again for your patience.

We are all starting to adapt to the routines of different gates and times for drop off and pick up.

Lunchtime arrangements are becoming more familiar and children are continuing to be offered hot and cold lunch options.

Our Breakfast Club and Rainbows After School provision has started for working parents to provide wraparound care.

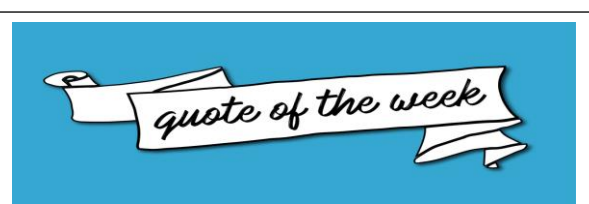

All of these measures are because we have an essential role to play in limiting the spread of the Coronavirus and ask for your help in doing this.

**If your child has a cough, high temperature (above 37.8 degrees) or a loss of taste or smell they must stay off school and get tested for COVID19. Once the test results are in, school must be informed IMMEDIATELY. If it is out of school hours please call the office 0151 263 1300, if it is outside school hours please call or text 07858 739336.**

If your child is absent from school for any reason including isolating whilst waiting results for themselves or a family member we ask that you contact school EVERYDAY.

A special welcome to our Early Years children who have joined the Pinehurst Family this week.

It has been wonderful to see them settle into school life this week. They have really enjoyed getting to know each other, finding their way around school and learning the routines of the different settings.

Well done to everyone in Oak, Ash, Little Acorns and Little Pine Cones.

# MEET THE TEACHER!

Our Meet the Teacher Newsletters have been sent home this week. Ordinarily we would meet in school and staff would introduce themselves and talk about your child's new class. With current restrictions our special edition of the Pinehurst Press earlier this week provided you with this information.

### Supporting learning at home...

Please take some time to practise counting with your child. Reciting number bonds and times tables would be very helpful too. This will help and support them with their learning in school.

Please ensure that you distance from other adults and families at drop off and pick up.

You may choose to wear a face covering at pick up / drop off.

Thank you for your cooperation.

### Before & After

### Care

Bubbles have now been allocated for Breakfast Club and Rainbows After School Club. Should your circumstances change and you require a place please contact the school office. If you no longer require your allocated place please inform us. Charges apply for both of these clubs.
