A weekly newsletter to share the news of Pinehurst Primary School

## Teaching and Learning

Learning about History topics in primary school can be great fun but it is also incredibly important. Learning about the past, helps us to understand our present. Children are inspired to research events. They also love thinking about people of the past, and especially enjoy all the bits that are gory, nasty or just plain mad (that's why Horrible Histories is so popular)! It is also fantastic for using so many English, ICT, Art and collaborative skills. We just cannot ignore the wonderful advantages of learning about the past.

At Pinehurst Primary School, we plan to use first hand experience, visits, visitors, artefacts, and the local and wider environment to engage children's interest and imagination. We encourage children to ask questions to develop their enquiry skills as Historians, and we use a range of resources to develop our understanding in History. Through the children's understanding of the past and of lives in different conditions, children will be encouraged to develop their feelings and 'empathy' towards others. This in turn will help them in the future.

**Due to ventilation requirements, if your child is cold in school they should wear extra layers. This may include a vest or additional layer under their polo shirt, or a school or navy fleece over their sweatshirt. We will consider scarves and fingerless gloves as the term progresses and update you.**

**If your child has a COVID symptom of a cough, high temperature (above 37.8 degrees) or a loss of taste or smell they must stay off school and get tested for COVID19. The same applies to children if a household member has these symptoms. The whole household must self isolate and the children must stay off school.**

**Please ensure the school office has up to date contact numbers for you. This is essential if we need to isolate classes and dismiss children during the school day.**

## Foody Friday

On Friday 4<sup>th</sup> December if you are able to donate a tin or packet for our Foody Friday it would be very much appreciated.

### Christmas Post

Unfortunately due to the unprecedented circumstances we have had to make the decision to do our Christmas post in a slightly different way this year. Rather than Christmas cards coming into school and being distributed, children can send a Christmas message to a group of friends, their class or the whole school via Twitter or email [ChristmasPost@pinehurstgs.co.uk](mailto:ChristmasPost@pinehurstgs.co.uk).

It may be a written message, a photo or video. These will be shared in class or via assembly.

Thank you for your support and understanding with this.
